

# Back to School!! Are You Ready?

Sullivan County Public Health Services is here to help!

We offer a routine vaccination clinic the second Wednesday of each month from 5:00-7:00 pm for **underinsured or uninsured children!**

**Pre-registration is required**  
Call Sullivan County Public Health Services at 845-292-5910, Ext. 0 for more information or to make an appointment.

Now is the time to find out what vaccines your child needs for school!
